

REMARKS

Claims 1-35 appears on the Notice of Allowance as being allowed, despite the fact that there are 36 pending claims.

Applicant assumes that claim 36 was inadvertently excluded from the list of identified allowed claims, and that instead that the Examiner had intended that all pending claims 1-36 are allowed. Applicant requests that the Examiner contact Applicant if this assumption is incorrect.

In the Specification

Paragraph 0031 is replaced herewith to correct a misspelling on line 4.

CONCLUSION

Applicant respectfully submits that the above amendments do not materially affect the application. Applicant respectfully requests the Examiner to enter the amendment. Applicant understands that the deadline for payment of the Issue Fee continues to run from the March 8, 2007 date of mailing of the Notice of Allowance.

Respectfully submitted,
